Ibis Charities Foundation

2023 ANNUAL REPORT

IBIS CHARITIES FOUNDATION MISSION

Established in 2013 by the Board of Directors of The Club at Ibis, Ibis Charities Foundation is a 501(c)(3) charity dedicated to granting financial support to non-profit organizations providing family and social services, medical care and food, and cultural and environmental awareness activities in Palm Beach County.

AWARDS

2019 ~ West Palm Beach Mayor Keith James awarded his first Key to the City.

“You continue to have a significant impact on our community and are helping to make our city a better place,” said Mayor James.

2018 ~ Ibis Charities Foundation was named Outstanding Philanthropic Foundation of the Year by The Association of Professional Fundraisers.

HOW GRANTS ARE AWARDED

Ibis Charities Foundation's grant acceptance period opens October 1 of the calendar year and closes November 1. Application information is found on the Ibis Charities Foundation website. Prospective grant recipients download the application from our website, ibischaritiesfoundation.org, and submit the completed grant application along with required financials. Ibis Charities Foundation (EIN: 46-0639640) only funds 501(c)(3) organizations that will improve the lives of Palm Beach County residents.

Grant applications are received and an initial vetting is completed by a subset of the grants committee. Then the financial review occurs. Once an application passes both of these steps, the full grants committee reviews and determines whether it should move to an in-person site or virtual visit via Zoom. A final review is then completed by the full grants committee before a recommendation is made to the Ibis Charities Foundation Board of Directors.

GRANTS AWARDED TOTALING \$460,000 IN 2023

Ibis Charities Foundation grant awards target these areas: Health and Wellness, Education, Family and Social Services, and Cultural and Environmental Awareness. Since its founding, Ibis Charities has committed nearly \$3 million dollars to worthy organizations.

MAKING AN IMPACT: THE BIG COMMUNITY FOOD DRIVE

Every January The Club at Ibis members show their generosity by being the largest country club contributor to the Palm Beach County Food Bank. We did it again in 2023 **donating 31,424 pounds** of food that are the equivalent of 26,187 meals to locals in need. Ibis members **donated an additional \$17,385** for the purchase of additional foods to stock their shelves.

These tremendous results are not possible without the leadership of the Food Drive chair, the Committee and the hard work of all of our neighborhood captains in distributing collection bags and picking up donations on Food Drive Sunday!

TESTIMONIALS

“Building Homes for Heroes is so very grateful for the support we have received from Ibis Charities Foundation, one of our top supporters in Florida. The Foundation helped us to modify the homes of Army Sgt. Troy Caceido and Army Chief Warrant Officer 2 Steve Smith and will gift a mortgage-free customized newly constructed home to USAF Master Sergeant Francis Reilly and his family in January 2024. These life-changing gifts could not have been accomplished without the generosity of the members of The Club at Ibis.” *Building Homes for Heroes*

“Thank you for your grant that purchased our Spotting Scopes at the end of the boardwalk. These have become one of the most used items at the preserve where our visitors can watch the many birds come home to roost. On behalf of many users, Thank you!”

Grassy Waters Preserve

“Thanks to Ibis Charities support we have so many success stories that demonstrate the positive impact that 211’s Elder Care Outreach program has on the lives of those who it serves. We are here 24/7 to provide residents of Palm Beach County with support and resources.”

211 Palm Beach / Treasure Coast

“Your generosity provides individuals who are struggling with blindness, the skills necessary for them to remain independent, maintain their health and safety as well as enjoy an improved quality of life. Again, thank you and please know that your donation is making an impact on the lives of blind and visually impaired individuals in our community.” *Florida Outreach Center for the Blind*

A FINAL THOUGHT

The Ibis Charities Foundation hopes that you have found this Annual Report both enlightening and inspirational. The Foundation's Board, its various committees, and volunteers all take our mission of "caring and sharing" to heart and work diligently to achieve our goals. Through our rigorous grant award process, our planning and execution of programs and events, and our outreach to the Ibis community, we are committed to helping those in Palm Beach County less fortunate than ourselves. Please be assured that your contributions in time and dollars help us to carry out our mission and improve the lives of our needy neighbors. Thank you for your past support; we urge you to attend our events this season and to consider making a donation, becoming a major sponsor, or volunteering.
