TO BECOME A MAJOR SPONSOR:

If you wish to pay by Member Charge you can do so in two ways – visit [Make a Donation | Ibis Charities Foundation](#) and complete the information about the level and member number. Those emails go directly to John Harris and you'll be copied on any correspondence with the Club regarding your request.

If you wish to pay by personal check or from your tax-advantaged account you can mail those to our UPS box at Ibis Charities Foundation, 10130 Northlake Blvd, Ste 214-179, West Palm Beach, FL 33412.

Personal checks can also be placed in our new mailbox at the Club Concierge Desk. We will also still have a page in the Season of Giving booklet that you can complete and return in the mailbox at the Club Concierge.

If you have questions please contact John Harris, Ibis Charities Foundation at johnmharris@comcast.net or ibis@ibischaritiesfoundation.org.

A note about payment options for Major Sponsors:

To become a Major Sponsor of the Ibis Charities Foundation there are many options for payment. Many of our donors pay by personal check or member charge. Others have contributed appreciated stock from their personal investments. Those that pay in those forms are eligible for the tickets and benefits noted below.

Members that wish to make donations can also use a tax-advantaged account (Charitable Trust or Foundation or an IRA) but they are not eligible to receive any tickets or benefits under current IRS regulations. However, some members split their donations by making one donation by personal check or member charge to take advantage of a certain level's tickets/benefits and add to that amount from a tax-advantaged account to reach the level of sponsorship desired.

For example, a member can pay \$1,500 by personal check or member charge to receive tickets to all events and their benefit choice at the Pearl level, but to be recognized at a higher level – say Ruby – they also make a donation from their tax-advantaged account for another \$1,000.

However you wish to make a donation to Ibis Charities Foundation, we welcome your support of local charities serving the neediest in Palm Beach County. We are proud that 95% of the net funds raised by Ibis Charities goes directly back into our community through our grants program.

The tickets and benefits are NON-TRANSFERABLE to another member and none of the meal benefits include alcohol. Benefits will be valid until March 1, 2028.
